

## PULSE

**Eb Bb/D (x3)**

We are one body  
Sharing one spirit  
Formed by one body

On a cross

We have one vision  
Sharing one mission  
You destroyed division  
On that cross

**Cm**

Every tribe and tongue now join as one

**Eb F**

His body being healed

**Eb**

**Bb**

**F**

**Gm**

*You are the beating heart of love at the centre of it all*

**Eb**

**Bb**

**F**

*You are the reason that our hearts come home*

**Eb**

**Bb**

**F**

**Gm**

*We can never give enough for you gave your blood for us*

**Eb**

**Bb**

*This pulse brings life to all*

Dry bones find rhythm  
Spirit's breath filling  
This corpse now living  
Through that cross

See the coming kingdom  
Hearts that beat in union  
Pulse with new creation  
From that cross

*Standing together  
Under the banner  
of the reconciling cross  
Marching together  
Under the banner  
of the reconciling cross*

*Send us out, Lord, Send us out  
Moving to your rhythm  
Send us out, Lord, Send us out  
Dancing to your pulse*

*Bind us together, Lord  
With your chords that cannot be broken*
